THE SIA HOSTS THE VICE PRESIDENT OF INDONESIA

23rd November 2025

Alhumdulillah, the SIA was honored to host the Vice President of Indonesia, 38-year-old Gibran Rakabuming Raka.

The VP read his Zohr salaah in jamaat at the masjid, before meeting Indonesian students studying at various South African institutions. He displayed a level of humility not commonly experienced with dignitaries and spent time in dialogue with the students.

The visit ended with the VP meeting the imams and community members that were present and was grateful to the SIA for hosting him.

Jazakallah khair
