

a monthly gathering of brotherhood

every Thursday after Maghrib

SIA would like to pilot a monthly initiative that brings our Muslim brothers in the community together to share a meal and strengthen the bonds of brotherhood.

Once a month, on a Thursday after Maghrib Salaah, brothers will have the opportunity to gather, connect and enjoy a meal together.

As fasting on Thursdays is a beloved Sunnah, dates (khajoor) and water will be provided for those observing the fast, allowing them to break their fast together in the spirit of community and brotherhood.

We hope this initiative will create an opportunity for connection, reflection and togetherness within our community.
